

# CHENANGO 4-H SNAPSHOT

## 4-H AG-STRAVAGANZA

This publication serves to update, inform, and inspire you about all things Chenango County 4-H. Look for yourself in the photos, check out upcoming events so you don't miss anything, and complete the activities in these pages! Enjoy!

# 4-H Spotlights

Stay up to date, read the Friday Focus for the latest events coming your way.

School has started whether you are home zooming it, part-time at school / part-time home, or at school full time, the start of school has probably felt a bit overwhelming. With all of the changes that you each have had to make know that we are here for you. We want to know what you are up to beyond the school work. Are you taking care of animals, doing crafts, cooking, playing outdoors, riding your bike, hiking, or just chillin'?

Drop us an email, send pictures so we can let others know that our 4-H'ers are awesome!

## BUTTER SCULPTURE CONTEST

The results are in for the 4-H Butter Sculpture Contest. What a terrific challenge! Kids had to design and build their own butter sculpture. They had to use at least one stick of butter, send photos, and write a few sentences about how and why they chose their design.

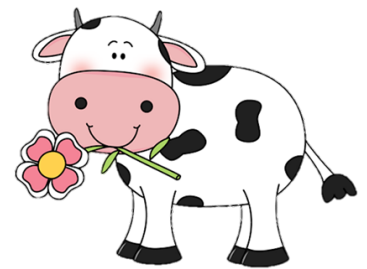

A BIG thanks goes out to the Funk Family for coming up with this neat idea.

First Place - Maria

Second Place - Ruby

Third Place - Johnny

Way to go 4-H'ers for CHURNING out some pretty SMOOTH sculptures!

## HIDDEN PONDS

The Hidden Pond Horse Lovers completed another community services project on Sept. 20th. They spent the day cleaning up garbage around Jeffries Pond. Nice job ladies, it looked like you made a pretty good haul, all while staying socially distanced. Thanks for helping to keep Chenango County clean.

# NATIONAL 4-H WEEK

Special Thanks to all those that participated in National 4-H week. Great job, everyone!

Thank you to Meghan Funk for accompanying Janet to today's County Board of Supervisors Meeting to speak about the impact 4-H has had on her and to receive our Proclamation, "October is 4-H/CCE Month" in Chenango County. Meghan did a FANTASTIC job explaining what she does in 4-H, how 4-H has helped her grow and how 4-H prepared her for this year's pandemic!
