HIDDEN PONDS HORSE LOVERS

Members of the Hidden Ponds Horse Lovers 4-H Club did an awesome job at the Chenango County Fair. They participated in the parade on Wednesday night showing off their 4-H spirit in style as they rode their stick horses in a little riding demonstration.

On Wednesday they also prepared a craft for the kids on the fair grounds to make.

They finished off County Fair on Friday with 4-H'ers riding in the 4-H/Open Youth Horse Show. Great job everyone!

VALLEY BUSTERS

The Valley Busters have had a jam packed few months with a lot of their 4-H members attending the Farmers Museum Junior Livestock Show. Members were very busy preparing their goats for this show. They all did very well and their goats brought home some nice ribbons to round out all of that hard work.

Then it was off to the Chenango County Fair, more animals and more kids. It wasn't just their goats that did well, they brought some meat goats, pigs, and projects for the Case Building too. They all did an amazing job!

Way to go Valley Busters!

KREATIVE KIDS

The Kreative Kids is another group of our 4-H'ers that did an great job at the Chenango County Fair. The group got together before the fair to make an awesome banner to go along with the fair theme "4-H is Out of This World", to show off their 4-H spirit.

They continued to amaze the judges with their art projects for the case Building as well as doing a great job showing their animals.

One member raised animals for the Livestock Auction as well. Some of them even had even had time to relax a bit in the corn spa.

Awesome Job Kreative Kids!

VOLUNTEERS

If you should see any of these people, be sure to give a BIG thanks to all of the volunteers that helped to make the Chenango County Fair run. A special thanks to the crew at Chapman Hall for continuing to provide food and funds to the 4-H program. The County Fair would not be possible without people willing to donate their time and energy. These are just a few of the folks that volunteered to help out in Chapman Hall. There were more but not available at the time the picture was taken.

THANK YOU CHAPMAN HALL CREW!

OUTDOOR ADVENTURE

We had a great turnout for this year's Survival Skills Challenge, with 6 teams of youth competing from Chenango County and Broome County. Thank you to all of our amazing volunteers and staff who made this event so successful and enjoyable for all. The teams rotated through the various stations building a shelter, finding their way with a compass and building a fire to boil water. They also kayaked, learned basic first aid and had to design and build a device or tool to catch food. As a 4-H educator and outdoor enthusiast, it was truly incredible to see these youth outdoors working together to complete the different challenges. I hope that programs like these encourage youth to spend more time outside enjoying all that nature has to offer.

Keep a look out for the next fun Outdoor Adventure that Miss Erica has in store.

HORSEBOWL

Each year our region sends 4-H'ers that have qualified to a New York State horsebowl competition. Chenango County 4-H'er Sarina Bell qualified and went to Cornell for the competition.

Horsebowl is a fast pace buzzer competition testing each contestant on their horse knowledge. Contestants go without any idea of what topics will be asked of them.

The combination team took 6th place. Nice job Sarina!
