Dairy Day History

Dairy Day started as a way to promote the dairy industry. Numerous donations allowed enough funding to hold a large parade in Norwich to honor the Dairy Princesses from 1941-the last year a dairy day event was held in Norwich. In May of 2001, the first dairy day in 60 years was held and has continued to be held each year to celebrate the dairy industry in Chenango County.

Dairy Day Contests

- **Milk Run**
- **Coloring Contest for all ages**
- **Duck Derby (for Dairy Day scholarship)**
- **Pedal Tractor Pull**
