Year	Outlay for Cattle Purchased	Income from Cattle Sold	Other Expenses	Other Income	Net Profit or Loss

Describe what your 4-H Guernsey dairy project has done for you and those around you in complete essay form.

a) How do you put your knowledge to work at home?

b) What has been the biggest problem in developing your dairy project and how did you handle it?

c) How do you help to promote the breed, and what are your future plans with it?

d) How are you helping younger members to learn about dairy cattle?

e) What other activities are you involved with in your school, church, and community?

f) How has your involvement with dairy activities been an asset to you in dealing with society at large?
