

4-H Achievement Day Awards Program

Independent Member Year-End Award Verification

Parents: Please let us know if your child(ren) should receive a *Pin of Completion* or *Certificate of Participation* at our Achievement Day Awards Program. All youth that participated in at least one 4-H project or activity during the past year will be recognized with one of these two awards. **Please return this form to the 4-H Office before September 15th, at 4:00pm.**

Here are a couple of quick questions that should help you in making the determination between *Pin of Completion* or *Certificate of Participation*. The 4-H Member Criteria Information sheet should also be helpful.

If you can answer yes to all of these questions your child should receive a *Pin of Completion*:

- Was the child between the ages of 8 and 19 as on this past January 1st?
- Did the child participate in at least one 4-H project during the past year?
- Did the child complete a 4-H Project Record Sheet or Book for at least one of the 4-H project areas they participated in during the past year?
- Did the child display what they learned by participating in at least one particular 4-H project area to the community...such as at the County Fair, State Fair, window display, community meeting or community fair?

If you can only answer yes to the first two of the above questions, the child should only receive a *Certificate of Participation*.
