New Club Award

The 4H Leader Association has decided to begin a New Club Award. This \$100.00 award will be given in two parts, to any new club just starting up.

At the beginning of your enrollment as a new club you will be eligible to receive \$50.00 from the 4H Leaders Association. We would like to encourage your club to participate in the many wonderful activities 4H has to offer.

If your club would complete, as a club, just 3 of the activities from the list below then the Leaders Association will award your club the other \$50.00 at the Annual Achievement Day.

It is the hope of the 4H Leaders Association that this money will help to encourage you as you begin to take part in the 4H community.

We the members of the 4H Leaders Association want to welcome you into this wonderful 4H organization and if we can be of any assistance to you please feel free to contact us.

Feel free to be creative with your activities, here is a list of ideas your club could participate in:
